

PANCAKES

Amsterdam

OUR PANCAKES ARE FOR EVERYONE! WE HAVE MADE A BATTER WHICH MADE IT POSSIBLE TO PREPARE GLUTEN-FREE, LACTOSE-FREE AND VEGAN DUTCH PANCAKES. WE USE DIFFERENT PLATES AND YOUR PANCAKE ALWAYS COMES WITH A DUTCH FLAG. WE CAN NOT COMPLETELY EXCLUDE THE RISK OF CROSS-CONTAMINATION (THIS ALSO APPLIES TO NUTS), BUT OF COURSE, WE TRY THE BEST WE CAN!

IF YOU HAVE CELIAC DISEASE, EATING A PANCAKE IS AT YOUR OWN RISK, THERE IS ALWAYS A CHANGE OF CROSS-CONTAMINATION

1 GLUTEN-FREE, LACTOSE-FREE AND VEGAN BATTER

GLUTEN-FREE = G • LACTOSE-FREE = L • VEGAN = V

Our gluten-free, lactose-free and vegan pancake batter is freshly prepared every day, with products that we have chosen very carefully. For example, we use soy milk as an alternative to regular milk and the flour consists of buckwheat flour and teff flour. Of course, the taste is still amazing and you can enjoy a lovely Dutch pancake with nothing to worry about. YES! We even have mouthwatering, vegan Dutch pancakes! Check out our vegan options below.
