PANCAKES
Amsterdam

OUR PANCAKES ARE FOR EVERYONE!
THAT'S WHY WE CREATED A SPECIAL BATTER FOR GLUTEN-FREE, LACTOSE-FREE & VEGAN DUTCH PANCAKES.
WE BAKE THEM ON SEPARATE PLATES AND YOUR PANCAKE COMES WITH A LITTLE DUTCH FLAG.

IMPORTANT NOTE! WE CAN'T FULLY RULE OUT THE RISK OF CROSS-CONTAMINATION (THIS ALSO GOES FOR NUTS). WE ALWAYS DO OUR VERY BEST, BUT IF YOU HAVE CELIAC DISEASE, PLEASE BE AWARE: EATING A PANCAKE IS AT YOUR OWN RISK.

1 GLUTEN-FREE, LACTOSE-FREE AND VEGAN BATTER

GLUTEN-FREE = G • LACTOSE-FREE = L • VEGAN = V

Our gluten-free, lactose-free and vegan pancake batter is freshly prepared every day, with products that we have chosen very carefully.
For example, we use soy milk as an alternative to regular milk and the flour consists of buckwheat flour and teff flour. Of course, the taste is still amazing and you can enjoy a lovely Dutch pancake with nothing to worry about. We even have mouthwatering, vegan Dutch pancakes! Check out our vegan options below.

2 CHOOSE ONE OF OUR DUTCH PANCAKES

All of our pancakes are made with our own gluten-free organic pancake flour

***Our fried eggs may contain traces of gluten.** Although this dish does not contain gluten ingredients, it is prepared on a shared griddle. Therefore, gluten cross-contamination may occur.
